

# Cloud team BoF

Steve McIntyre <[93sam@debian.org](mailto:93sam@debian.org)>

11<sup>th</sup> August 2017

# Agenda

- This is a BoF!
- Where are we up to?
- What are we planning?
- What else should we be doing?
- Gobby doc – please take notes
  - [gobby.debian.org](http://gobby.debian.org)
  - `Debconf17/bof/cloud-team`

# Where are we up to?

- Debian images in many clouds
- Lots of people doing their own thing
- Official images
  - Some progress
  - A way to go yet!

# What are we planning?

- More work on official images
  - Built on Debian machines
  - QA
  - Unattended upgrades
- Another sprint this year
  - October/November, Seattle
  - Microsoft Azure folks hosting

# What else?

- Discuss!
